What are the Scrapstore Roadshows?

Several times a year we turn a rural venue in to a Scrapstore for the day in Bath & NE Somerset, North Somerset and South Gloucestershire. Free scrap art workshops are also provided.

Roadshows are open to everyone, not just Scrapstore members and children are welcome with an adult.

When are Scrapstore and Artrageous open?

As both the Warehouse and the Shop are in the same building, they are open at the same time. The opening times are listed overleaf.

What is Children's Scrapstore?

Children's Scrapstore is a registered charity that collects safe clean scrap from business and industry. Only scrap that can be used as a creative resource is collected. The scrap is stored in our large warehouse and members come along and collect all the resources they need.

What sort of things can I buy at Scrapstore?

The scrap warehouse is full of all sorts of colourful and safe scrap. Paper, card, plastic pots, tubs, tubes, netting, fabrics, rip-stop, foam and wood are just some of the regular resources. You may also find odd things like buttons or rubber gloves and knee pads!

The great thing about the warehouse is that every time you visit there is always something new. To shop, grab a trolley from the car park, go around the warehouse collecting all the wonderful things you need and then pay at the till on the way out. The suggested donation for scrap is just £13.25 a trolley full; less scrap costs less, more costs more.

What is Artrageous?

Artrageous is Scrapstore's low cost art and craft shop. It is open to the public as well as members, and is situated in the same building as the warehouse. The shop stocks a dazzling array of glitter, glues, pens, pencils, paints, paper, card, crayons, craft ideas, books, balls, games..... the list goes on.

Scrapstore Members receive a 20% discount on all purchases if buying for their group. Loan equipment such as badge makers and parachutes are also available on request.
