Save Money on Waste Disposal and Help Children in Bristol

Children's Scrapstore is a Bristol charity collecting safe, clean business waste for re-use as art, craft, play and educational materials by thousands of groups working with children and young people.

Free Waste Collection

We collect for free - and re-use around 100 tonnes a year locally for creative re-use.

We need a wide range of clean, safe, versatile business waste materials – production offcuts and by-products, rejected QC batches, bankrupt and redundant retail stock, and unused raw materials, and packaging materials

Examples

- **Card & paper – all types**
- **Fabric & textiles - rolls, large pieces – any type**
- **Netting**
- **Containers with lids - boxes, pots, & bottles**
- **Plastic & rubber tubing**
- **Plastics - sheet Perspex, acetate, Corex etc.**
- **Foam rubber**
- **Tubes – card, plastic etc.**
- **DIY materials**
- **Wood & timber – interior/planed**
- **Rope, cord & twine**
- **Catering disposables (unused)**
- **Foils & films**
- **Plastic granules**
- **CDs & CDRs**
- **Stationery - all sorts**
- **Novelty goods**
- **Packaging materials - unused**
- **Anything unusual**

Benefits to you

The benefits of donating your company's suitable waste could include:-

- **Reduced waste disposal costs.**
- **Contribution to ISO 14001/ BS 8555 waste standards**
- **We offer a certificate to help towards your waste audit trail**
- **Free collections in keeping with the needs of your company – there is no charge for what we do**
- **Large quantities accepted if suitable – up to an artic load at a time**
- **Supporting local children's development - low value waste materials will be re-used for over 1000 local children's art, education and play projects**

I will contact you shortly to discuss whether you may be interested in our service, or feel free to call me with any queries.
