SCRAPSTORE ACTIVITIES

WAREHOUSE

Toys, Books, & Clothes Swap -

Bring your own items to swap for others!
Please only bring items that are in useable condition, i.e nothing broken or badly stained.

Badge Making -

Would you like to make badges? Head to our loading bay to create your very own, with the help of our fantastic trustees or volunteers.

Badges will cost 50p each, but there will be a Pay Forward system for those who need.

Scrap Creations -

Our fab volunteers will be displaying and selling incredible creations made from scrap, raising donations for Children's Scrapstore.

Reuse Art Display -

We have so many talented customers, who make fabulous things using our scrap! Check out scrap creations on display, such as decorated mannequins made by Tufty, featured at The Beat Goes On festival.

Scrap -

Non-Members can access scrap today!
Grab a basket or bag from our Artshop, and fill with scrap for a suggested donation of £6. We may not have enough baskets/bags so do bring a standard sized bag for life if you can!
Please note our staff may ask for a higher donation if your bag is larger than the standard size.

Scan here to donate!

We try our best to keep as much of our Reuse Fair free, so that everyone in the community can be involved. We are so thankful to any donations, as they help us in keeping our events accessible to those who need.

SCRAPSTORE ACTIVITIES

CARPARK

Robot Name Unveiling -

Join for a special unveiling of our Robot's name, as chosen by the winners of the Robot Naming Competition! This will be starting at 12pm sharp, in front of our robot.

Loose Parts Play -

Create your own imaginative worlds from scrap! Drop in session, join and play when you like (subject to capacity).

Scribble Bear -

If you love drawing, help us decorate our Scrapstore bear! We'll have pens and pastels laid out to decorate away with (activity may end earlier than 3pm, subject to popularity)

PLAYROOM

Children's Corner -

If you need a break, take a seat in our children's corner, just outside the Playroom. There are toys, colouring, and loose parts to play with.

Scrap Hat Making -

Turn yourself into art! We'll be using scrap and recycled materials to make amazing scrap hats. Drop in session, join and create when you like (subject to capacity).

Don't forget to follow [@reusebristol](#) on Facebook for more sustainable advice, inspiration, and content. Come and connect with the reuse community!

Have a look at our wonderful partners, and what information/reuse wisdom you can discover!

INFORMATION STALLS

The logo for Wear My Wardrobe Out, featuring the letters 'WM' stacked above 'WO' in a white, stylized serif font, set against a bright pink square background.

WEAR MY WARDROBE OUT

[Wear My Wardrobe Out](#) is sustainable fashion as a service, through their Fashion Rental, Repair, Alterations and Made to Order Services. A mixture of vintage and modern, pre-loved and good as new, all carefully handpicked and rescued just for you! On the day, the founder Maria will be demonstrating how to turn old scrap textiles in to beautiful useable items such as bows and pockets!

SPARKS BRISTOL

[SPARKS Bristol Reuse and Resources department](#) is headed up by [No Small Thing](#). They host events such as a repair café on Sunday, Circular Bristol meetings and ways to recycle things. You can buy things there, donate your old electricals, walk through their exhibitions, and more. On the day they will be holding a disrepair café and a lamp making demo.

The logo for SPARKS BRISTOL, with the word 'SPARKS' in multi-colored letters (S: blue, P: orange, A: green, R: red, K: purple, S: yellow) and 'BRISTOL' in grey letters below it, all within a white square with a pink border.The logo for Emmaus Bristol, featuring a white hand holding a green stem with a red flower, set against a green square background.

emmaus
Bristol

EMMAUS BRISTOL

[Emmaus Bristol](#) is a working community where people access a long term home while they get back on their feet after experiencing homelessness by providing a home, support, training and work experience. They also sell donated items that have been collected, upcycled and refurbished - such as furniture and household items. On the day they will be sharing information on who they are and what they do.

[#REUSEFAIR2023](#)

CITY TO SEA

[City to Sea](#) are an environmental organisation campaigning to stop plastic pollution. They focus on providing practical, solutions-focused initiatives and advocating reduce and reuse over single-use. Their campaign 'Refill' has gone global and helps people reduce single-use plastic waste. On the day they will be sharing information about their Refill campaign, and they will host some cup games.

Share Bristol
A Library of Things

SHARE BRISTOL

[Share Bristol](#) makes it easy to borrow the things we need to live our lives, keeping it affordable and accessible. Whether it's a drill for a DIY project, a tent for a family holiday or a karaoke machine for a party, you can borrow this and much more from the Library of Things. On the day, a Library of Things will be sharing knowledgeable information about what they do and how you can get involved.

DIGILOCAL

[DigiLocal](#) is a charity that empowers and helps young people who are marginalised in the technology industry by primarily, but not exclusively, supporting free tech clubs. They will only accept PC laptops, no MacBooks, printers, tablets, phones, etc. On the day they will be accepting donations of Laptops, sharing information about what they do, and potentially a live demonstration of repurposing!

BRISTOL
waste
**REUSE
SHOP**

BRISTOL WASTE & REUSE SHOPS

[Bristol Waste](#) is your local recycling, waste collection and street cleaning company. As well as this, they run three [reuse shops](#) across the city. Found at Bristol's three recycling centres, the shops provide a hub for rehoming pre-loved items - saving them from going to waste. On the day, they will have a pop-up mini-reuse shop and plenty of reuse games and activities.

#REUSEFAIR2023

BABY BANK NETWORK

Baby Bank Network Bristol is a charity that collects pre-loved and unused donations of baby equipment, clothing, toys and other essentials to give to families experiencing poverty or crisis in Bristol. It is a free service which reduces waste and promotes reuse. On the day, Baby Bank will be sharing information on what they do, how to support them, and selling some baby clothes/equipment.

REPAIR CAFÉ

Repair Cafés are located in different locations around Bristol and happen on Saturdays at different times. They were set up to help reduce waste and reuse products by repairing them rather than throwing them away! There are volunteers who offer free help to repair things. On the day, come and find out how to get involved in Repair Cafés at their stall!

ECOTRIBO

Ecotribo takes abandoned and lost fishing nets from British beaches and turns them into plant pots, carabiners and other sustainable products. The products are made in a solar-powered workshop in Bristol. 10% of profits go to coastal clean-up charities for marine conservation and outreach. On the day, they will be sharing information, selling the plant pots, and showing how they are made.

OAT FLOAT

Oat Float is a zero-waste shop that delivers to your door, even when you're not there, or you can fill up at one of their regular stops. They stock pantry staples and household essentials - all you need is your own tubs! On the day, the Oat Float van will be fully stocked so you can get refills, see what they sell, how their service works, and Matt the owner will give you tips to join the refill revolution & reduce your plastic footprint.

PARTNER ACTIVITIES

Read about what fabulous events and activities are being run this year by our external partners!

DRUM RUNNERS - DRUMMING AND SONG

[Drum Runners](#) centre around creating rhythm and music from reused materials, and creating positive play and performance. They will be hosting a scrap instrument making workshop in our carpark, as well as a drumming and song workshop. Song making will be happening around timetabled drumming.

MYS. TREE - PUPPET SHOW

[Mys. Tree](#) is a multimedia artist, music producer and writer who will be hosting a mask making workshop and performing a puppet show in our carpark, within a self designed Dome Theatre, which uses recycled and sustainable materials. The puppetry harkens back to ancient traditions of storytelling to inspire wonder and creativity for the young and old alike. Mask making will be happening around timetabled shows,

BIG HEART ART CLUB - BOOK BINDING

[Big Heart Art Club](#) is volunteer run and here to bring fun and inspiring art activities to communities and events around Bristol. They are running a book making workshop using scrap card and paper. This is a drop in session so join us any time to fold, sew and decorate your own sketch book, note book or even a colouring book.

#REUSEFAIR2023

Fancy shopping for some amazing reuse art? See which artists will be selling their creative wares this year!

SELLING ARTISTS

EMALOLABELLA

[Emalolabella](#) makes adult dungarees from upcycled fabric filled with joy and nostalgia, alongside other unique items such as 90s lunch box handbags. Everything sourced is repurposed and saved from being added to the 336,000 tonnes of clothing ending up in landfill every year. They'll also have scrap fabrics to take for your own projects!

PIP RALPH

[Pip Ralph](#) creates curious characters and surreal scenes from the leftover scraps and second-hand treasures she stumbles upon. The work focuses on re-using and re-imagining old, unused materials to create something entirely new and fresh.

ALL IS SUN ECO CREATIONS

[All is Sun Eco Creations](#) handmakes upcycled creations, celebrating the beauty & colours of nature with harm to none. Using eco conscious techniques and preloved & salvaged materials, they create a range of unique items including accessories, slow fashion, jewellery, home ware & decor.

#REUSEFAIR2023

QUINT'S PRINTS

Maria Quintin is a Bristol-based artist and printmaker specialising in creating art from refuse and scrap materials. Mainly working in the medium of print, her work is inspired by nature, folklore, and science. She also runs workshops with a focus on using alternate and otherwise discarded materials and having a more zero waste approach to working.

Please Donate!

In particular, we need:

Suitcases

Soft Toys

Pots and Pans

**All donations will be used for PlayPods,
and in enhancing children's play!**

[Find more information here](#)

FOOD AND DRINK

Check out which fantastic food and drink vendors are selling delicious treats and eats!

BETTER FOOD

[Better Food](#)'s store and café is located below Children's Scrapstore and it offers organic and fair trade groceries, fresh produce and more. On the day, they will be providing drinks, pastries and cakes.

JIM'S PIZZA

[Jim's Pizza](#) is fresh Neapolitan-style pizza that is made from locally-sourced ingredients, where possible. Expect traditional pizzas like a Margherita, a vegan option, a special for on the day, and desert pizzas! All cooked in 90 seconds!

Thank you so much to all our fantastic partners for joining us this year, and making the Reuse Fair so exciting! As a charity, we always appreciate all the time that people donate to join us for events and activities, so that we can keep this community event as free as possible for the wonderful people of Bristol.

LOST PERSON ADVICE

IF SOMEONE IS LOST, PLEASE INFORM A MEMBER OF STAFF IMMEDIATELY SO THAT WE CAN HELP.

1. MAKE SURE THEY HAVE YOUR PHONE NUMBER ON THEM -

If they have a phone on them, make sure its fully charged and has your number in its contacts. If not, write your phone number on a piece of paper or keyring, and put it in their pocket or bag.

2. TAKE A PHOTO OF THEM BEFORE YOU ARRIVE -

It's important to know what the person looks like so that staff can find them quickly. It helps to take a photo of the them in the morning, so that everyone knows what they look like and exactly what they are wearing.

3. AGREE A SAFE MEET UP POINT ON-SITE -

Make sure both you and everyone you're with knows a safe and agreed meet up point. We suggest using our information point, as it will have constant staff and should be less busy than other areas.

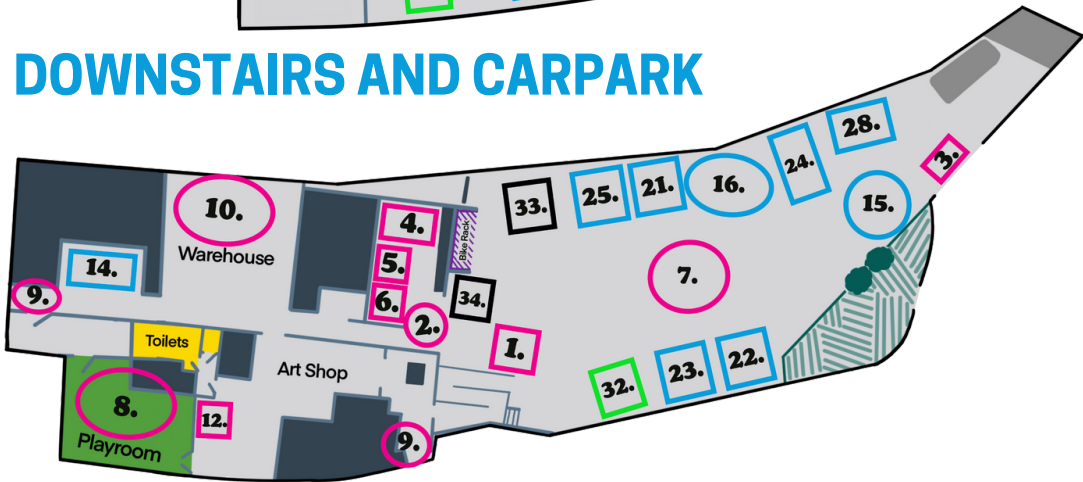

WET WEATHER MAP

In the event that stalls have to be moved inside and upstairs, please refer to the below maps for placements. Staff members will clearly announce if this is the case, so please only use this map if Scrapstore staff have stated as such. Upstairs is accessible by either the stairs or lift in our foyer.
